LEMBAR JAWABAN SISWA - DEMO

Nama: Hafiz Maulana

Kelas: Intermediate English | Pertemuan: 1

Judul Tugas: Review Tenses & Personal Experiences

Instruksi: Write a paragraph about hobbies and a memorable personal experience.

Jawaban

In this assignment, I discuss review tenses & personal experiences using a personal example.
I usually enjoy learning coding, although last week I chose to visit the local museum.
That experience was enjoyable; it also helped me understand how context affects language.
I usually study at home, but today I am studying at the library.
I believe that practicing with my study group supports clearer communication.
However, accurate examples and logical connections are necessary to make an explanation convincing.
