## Judul Tugas: Analytical Exposition

Instruksi: Write a three-paragraph analytical exposition on learning habits.

## Jawaban

In this assignment, I discuss analytical exposition using a personal example.
I usually enjoy taking photographs, although last week I chose to visit the public library.
That experience was productive; it also helped me understand how context affects language.
Learning English matters because it improves communication and opportunity.
I believe that practicing with my neighbors supports clearer communication.
However, accurate examples and logical connections are necessary to make an explanation convincing.
