Jawaban

In this assignment, I discuss discussion, review, and presentation using a personal example.
I usually enjoy drawing pictures, although last week I chose to visit the English classroom.
That experience was interesting; it also helped me understand how context affects language.
Online classes are flexible, but face-to-face discussion can improve participation.
I believe that practicing with my teacher supports clearer communication.
However, accurate examples and logical connections are necessary to make an explanation convincing.
